ASSOCIATED STUDENT BODY

OF

PIEDMONT HIGH SCHOOL

PIEDMONT, CALIFORNIA

VOLUME 29

JUNE, 1951

DEDICATION

THIS YEARBOOK IS DEDICATED TO THE MEMORY OF HARRY WILLIAM JONES, SUPERINTENDENT AND PRINCIPAL OF THE PIEDMONT PUBLIC SCHOOLS DURING THE YEARS 1921 THROUGH 1947.

foreword

In presenting the twenty-ninth volume of the Clan-O-Log, we have attempted to portray on these pages the happy memories of our life in all its phase at Piedmont High School. May this book be a joy to all in years to come, in recalling friends, faculty, and activities.

On these pages, we have tried to present and develop the ideals of our life as Clansmen, as in our motto, "Achieve the Honorable." We have made several changes in the Clan-O-Log this year. It is the hope of the Clan-O-Log staff that the students of Piedmont High School will accept this book and like the many changes. One of the new features this year is the leather cover. In the past the cover was made of paper, then cardboard, and now leather. The new layouts for the football, basketball, track, and baseball pages are other new additions. The latest in art work, wire sculpture, adds new life to our division pages. Then we have more pages for those memorable snap shots.

All this would not have been possible without the untiring help and guidance of our adviser, Mr. Robert Clarke, who gave so much of his time and effeort to help make this book. Much praise and thanks go to him.

We now present the 1951 Clan-O-Log for the approval of the Associated Student Body of Piedmont High School.

Superintendent and Principal

It is impossible to know, when these words are being written, just what the final appearance of the Clan-O-Log will be. This we do know, however, that the final result is a product of the skill and the effort of those who produce it. Year after year the Clan-O-Log has maintained a consistently high rating. Changes occur from time to time to attest to the ingenuity of the producers. Fundamentally, however, it remains primarily an annual pictorial record of Piedmont High School people and activities. As such it includes within its covers everyone who has any connection with the school. No one is left out. This is, truly, one activity in which everyone is included. Special credit, as usual, goes to the sponsor, Mr. Robert Clarke, and to the able and hard-working group of students who performed the job of planning, organizing, gathering, editing and assembling the material into book form for printing. Our hearty congratulations are extended to them. The finished product is their reward for their labor.

Fall Semester

During the fall semester the beginning drama students gave two matinee performances of "The Runaways" by Millis Caverly for the children of Beach, Havens, and Wildwood Schools. Leads were Joyce Rock, Neila Zanolli, Shirley Johnson, Nancy Wallace, Barbara Berry, and Sue Brobst.

The senior class presented "The Charm School." Jim Moore, Frank Winston, Sue Mallett, Janet Peters, Calvin Philips, Nancy Hill, Janet MacLeod, Joan Hartong, Dolores Jones, Carol Webber, and Sally Ulrich had the leads.

For the commencement program the story of Johnny Appleseed was presented as a studio radio broadcast.

Spring Semester

In the second semester Drama I presented two plays, "Bargains in Cathay" and "Grandma Pulls the String," for the Mothers' Club as well as for junior and senior high assemblies.

The senior play given in June was Thornton Wilder's much-loved play, "Our Town." The cast was headed by John Owen and Steve Walker in the part of stage manager. Emily was played by Patsy O'Grady and Marlene Dall; Gerald Down and Howard Schwartz were George.

"The Loyal Heart" was the title of the girls' senior farewell program, and the graduation exercises were called "What We Defend."

The music department, under the leadership of Mr. Kenneth Dodson, has played an important part in schooi and community life of Piedmont this year.

The climax of the entire year was reached with the production of the annual Spring Concert and the Northern California Music Contest at Berkeley.

One of the best choirs in Piedmont's history sang on KPIX over television and last fall won third place in the Northern California Choral Contest at U. C.

The band and orchestra have had a strenuous year playing for assemblies and programs of the Mothers' and Dads' Clubs. The band has also added color at the football games, and the orchestra was the guest at a convention of city mayors. The South Pacific Overture, being a popular number in the orchestra's repertoire, was played by request in five performances.

Janet Chambers, Leal Davidson, Bill Clifford, and Neal Van Valkenburgh represented Piedmont as finalists for solo parts with the Oakland Symphony. Janet Chambers won the honor with a piano concerto.

Again the long hours of practice were forgotten when music students enjoyed their annual frolic in the snow of Yosemite.

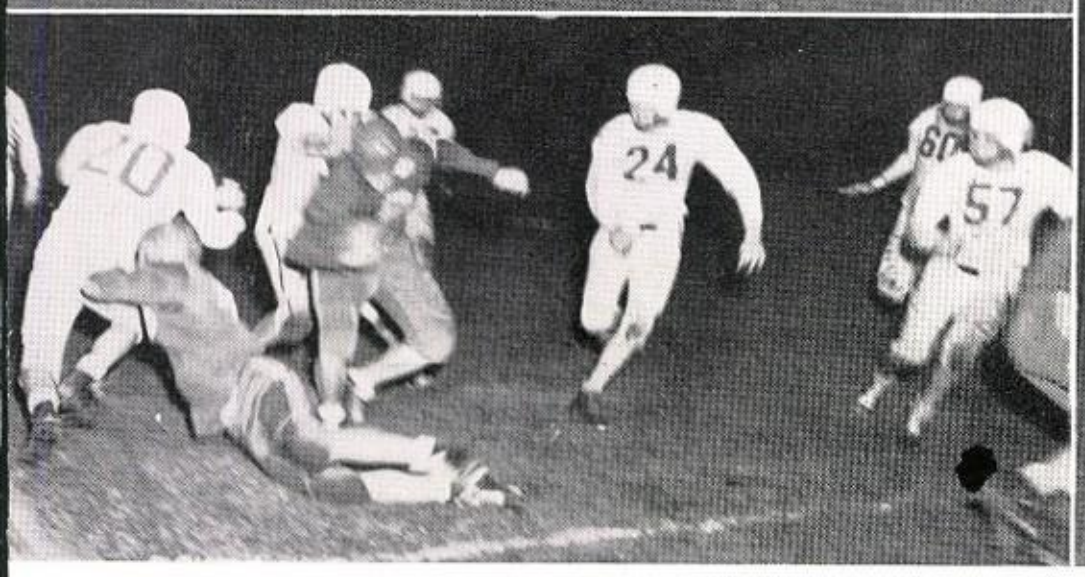
The Piedmont Highlander football team started out its 1950 season with good spirit, inexperience, and lack of depth. Unfortunately the inexperience and lack of depth far outweighed the willingness to win and team spirit. The 1950 season saw the Clansmen drop eight games while winning but one.

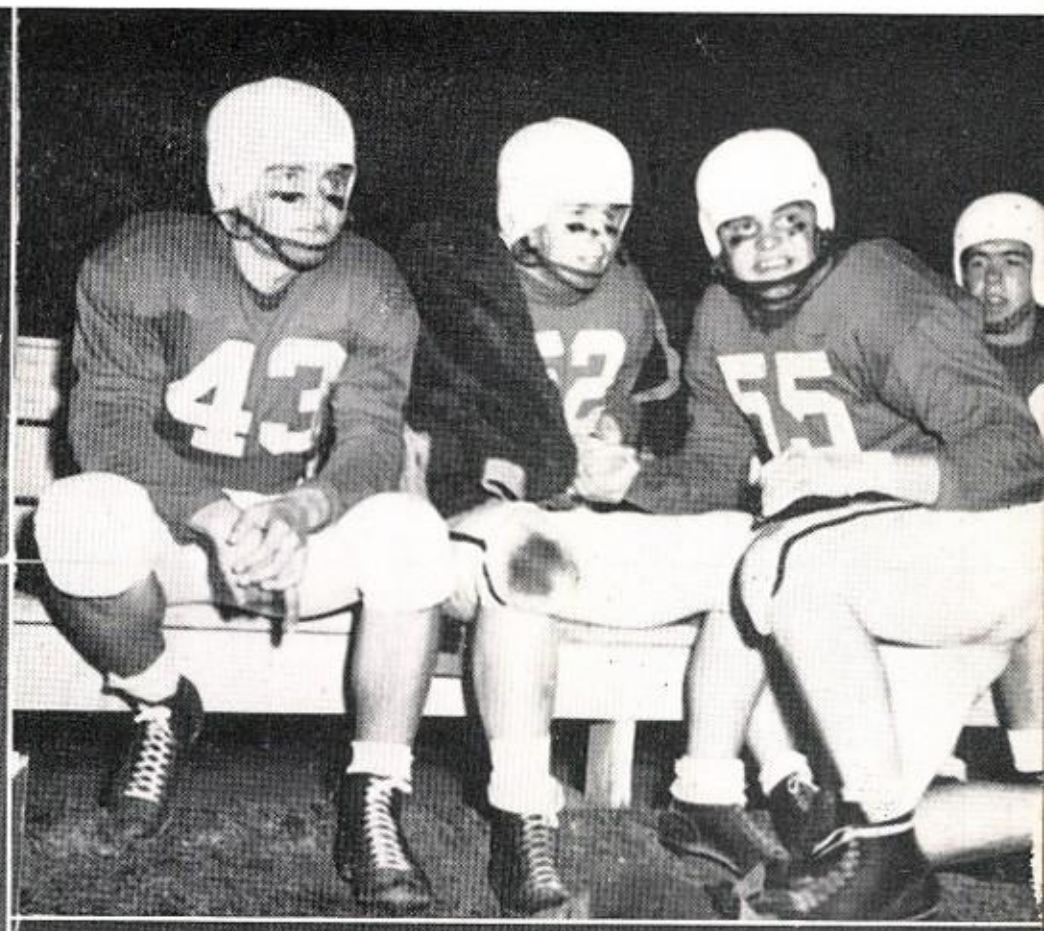
A fast-charging Tamalpais eleven traveled to the local field and handed them a 33-15 drubbing in the first practice game of the campaign. The following week, the Highlanders journeyed to Sacramento to meet the McClatchy club on their gridiron and took a beating by a score of 55-14. The only bright spot of this game was Bebe Rawling's sensational 87 yard run-back of a kick-off to establish a new Piedmont School record.

When Fresno came to visit us for the second consecutive year, they met a determined squad of players. Although losing 27-14, the Clan showed a marked improvement.

In the first league tilt of the season, El Cerrito trampled the Hill City crew 41-6. The next week many fans saw Piedmont lose a heartbreaker to Hayward on the latter's field; Hayward scored in the last few seconds of play to come up with a 20-18 victory. The

football





following week at Alameda, the Hornets whipped the Highlanders 25-0. Another shut-out followed in the next game when visiting Richmond broke tradition by trouncing the Clansmen on their own grounds by a score of 27-0. In the Big Game with Berkeley, the Jackets met a very stubborn, hard-fighting Highlander group playing their best game of the season. The tussle ended 33-12 in favor of visiting Berkeley. Piedmont finally hit the win column by trouncing Albany on the Highlander's muddy field 13-0. This victory enabled the team to show up in sixth place in the league as their season ended.

Fullback Jack Brough led the scoring for the season with a total of 42 points, followed by two speedy halfback running mates, Ron O'Hara and Larry Taber. All season long, Quarterback Bill Greiner showed commendable skill and good judgement in calling the Clan's plays. Guard Pete McCoy, Tackle and Team Captain Bob Angle, End Bill Lind, and center Bob Gustafson turned in consistently fine performances. Bill Stoddard, Tom Coakley, Jack Coey, and John Shelley also received words of approval for the good work they did.

Next season will find many returning letterman who will have a year or more of experience behind them.

After winning most of their practice games this year, our basketball team, led by Coach Callow, went on to complete a victorious season against strong A. C. A. L. opponents. Piedmont High will always be proud of their 1951 basketball squad.

The Highlanders owe their successful season to the fact that last year's entire first string returned to spark the team on to the championship. It is hard to say who deserves the most praise for their work, as each of six boys was a vital piece in their well-organized machine. Captain Bebe Rawlings, Howard Schwartz and Bob McKeen, who received All-County awards; Clark Wallace; Jim Westphal; and Lamar Lund all deserve equal credit for their hard work, skill, and sportsmanship. Many of the younger boys also showed much promise.

After winning the A. C. A. L. championship, the Highlanders went on to play in the Tournament of Champions, but they were hampered by the loss of several players because of illness.

Coach Wilcox's Junior Varsity came out low in league competition; however, they had some very good games and showed up very well against St. Mary's and Berkeley.

The B's, under Coach Hallman's leadership, placed second in the league and showed much future promise.

Piedmont's track squad was bolstered by many returning lettermen from last year's dual meet champions. Led by all-A. C. A. L. half-miler, Clark Wallace, sprinter Larry Taber, discus thrower Tom Coakley, Hurdler Jack Brough, and John Gardner and John Whalen in the high jump and pole vault—Coach Brick Johnson's team was very well balanced.

The first meet with El Cerrito found the Clan cindermen trouncing the Gouchos, highlighted by John Whalen's leap of 10' 11" in the pole vault and Larry Taber's wins in the sprints and his 20' 2" broad jump.

Hampered by injuries, the Highlanders were swamped by a good Richmond team, and the Hornets of Alameda, led by Herb Turner, managed to eke out a close victory over P. H. S.

The team did well in the El Cerrito Relays, highlighted by Coakley's record-breaking discus throw of 124'. The team also traveled to the Martinez Relays. They beat Berkeley 62-51, with their weightmen making 17 out of a possible 18 points.

Coach Fritz Wilcox's B's, sparked by freshman Monty Upshaw, who broke records in the hurdles and in the 660, had a very good season. The team had more depth than previous years' teams. Outstanding for the B's were Kampp, Trutner, Baker, and Holt.

TENNIS

Encouraged by six returning lettermen and some new prospects up from the Junior High, Coach Clayton Rea's netters began practice at Davie Stadium on Monday, February 26 th.

Rain and wind were two big problems to overcome in holding organized practices, but in spite of this, Coach Rea, in ten days, fielded a winning team against Hayward. The Highlanders won by the score of five matches to two. In the following two matches the Clansmen showed top form by defeating Richmond and Alameda by identical scores of seven matches to none. In the next match, at Berkeley, the Piedmont Highlanders were met and defeated by the Berkeley Yellow Jackets, six matches to none; however, Piedmont has high hopes of turning the tables in their return match at Davie Stadium. As this book goes to press, Piedmont has a strong hold on second place.

The six returning lettermen are Milton Heyn, Jerry Down, Bill Oliver, Tommy Wilson, Doug Howden, and Bob Chapman. The newcomers include Buzzy Landis, Steve Chapman, Denton Denke, Jerry Dole, and Tommy Oliver. Tommy, who has just come up from the Junior High, is one of the best of the newcomers. If this is a sample of the kind of tennis players in the Junior High, Piedmont should have a good tennis squad for several more seasons.

golf

Piedmont High School's golf team, led by Tim Howard, Pat McKeegan, Jack Kenney, Dan Hand, and Frank Cirincione, has played two matches as this book goes to print and has two more to play. It has placed fourth in one match and second in the other.

The Highlanders can boast the best golf team that they have had in several years, and it looks probable that they may place high in league competition this year. Jerry Kenny and Jay Howard are two of the younger boys to watch for in future years.

Offering a large range of activities to choose from, the G. A. A. completed another successful year. Led by fall officers Diane Schoening, president; Jo Ann Schetter, vice-president; Sue Spongberg, secretary; and Bette Fortson, recording secretary, the girls put on a successful doughnut sale and badminton play-day with Berkeley, initiated a new sport (bowling), and enjoyed a delicious award dinner in the school cafeteria, followed by folk dancing. The tennis group went horseback riding.

In the spring Doe Proctor was elected president; Jean Bashor, vice-president; Joel Fuetsch, secretary; and Jan Walker, recording secretary. The spring activity was a very successful volleyball game, staged in the gym, between men faculty, boys' and girls' teams—with one of the girls' teams victorious. The bowling group entered a national trios organization and went bicycling in Golden Gate Park.

The Jr. High G. A. A. participated in several activities and showed promise that they will be excellent additions to the Senior High group when they enter the ninth grade.

Larry
Good luck on the football team next year. Hope you have a little better year. Do a little more practice and maybe you will be a starting player.
Alan Adamson

Hi Larry
We really had fun (!) in history!! I hope we have some classes together next semester. Good luck to a swell guy.
